§ 930.144 Assistant Administrator advisory statements.

Upon request, the Assistant Administrator may issue as advisory statement prior to the issuance of the annual report indicating whether a Federal action will be listed within the annual report as being inconsistent with an approved management program.

§ 930.145 Review of the implementation of Federal consistency provisions.

As part of the responsibility to conduct a continuing review of approved management programs, the Assistant Administrator shall review the performance of each State's implementation of the Federal consistency provisions in this part. The Assistant Administrator shall use information received pursuant to this subpart to evaluate instances where a State agency is believed to have either failed to object to inconsistent Federal actions, or improperly objected to consistent Federal actions. This evaluation shall be incorporated within the Assistant Administrator's general efforts to ascertain instances where a State has not adhered to its approved management program and such lack of adherence is not justified.
